Based on the Division's authority, the requested amendments to Atlantic Club's Certificate of Operation and CHAB license as set forth above, are hereby granted pursuant to N.J.A.C. 13:69C-7.1, et seq. This approval authorizes a casino room containing and consisting of **75,416** square feet of total gaming space, **48** table games, **1,641** slot machines and **1,635** slot stools.

Please note that the designation of smoking areas in casinos is subject to the jurisdiction of the N.J. Department of Health and Senior Services and the Atlantic City Department of Health and Human Services, not the Division. Accordingly, this letter should in no way be construed as approving areas of the gaming floor for smoking.

**This approval is subject to the following conditions:**

- A. That revised operational blueprints reflecting the changes approved herein be submitted to the Division's Regulatory Enforcement Bureau, casino licensee's security podium and the casino licensee's CCTV monitoring room;
- B. That a revised Table Game and Roulette Wheel inventory list are submitted to the in-house Division office;
- C. That a revised Slot Master List is submitted to the Technical Service Bureau of the Division;
- D. That an updated security and surveillance submission be approved by the Division reflecting new table game drop routes, chip fill credit routes, card distribution routes staffing of security particularly relative to **the closure of Pit 7 and conversion into slot zone 1700**;
- E. That Atlantic Club notify the Division immediately in the event of any modification to the approvals granted herein;
- F. That Atlantic Club complies with CCTV requirements identified in N.J.A.C. 13:69D-1.10 regarding the requirements to record all gaming tables whether active or inactive;
- G. That all CCTV cameras must be accessible from the Division's CCTV monitoring system as required by N.J.A.C. 13:69D-1.10(a)3;

- H. That Atlantic Club complies with all requirements and conditions appended to approvals received from all involved agencies of government whose approvals are required in order for a Certificate of Occupancy for the general public to be issued including, but not limited to, the Department of Community Affairs and the local construction official; and,
- I. Once modifications have been completed, a satisfactory inspection and approval by the Division is required to ensure the changes made conform to the petition. The review also includes, but is not limited to, an assessment of the adequacy of CCTV and security coverage. Such inspection must be done **prior to the proposed areas being used for gaming activity.**

To schedule an inspection, please contact the Division at [inspections@njdge.org](mailto:inspections@njdge.org).

If you have any questions, please do not hesitate to contact Bill Kendzierski of my staff at 441-7557.

Sincerely,

Don Errera, Deputy Chief  
Regulatory Enforcement Bureau
